

My Goal For 09

Ann

1/7/09

I love to play soccer because it is fun. In 2009 I want to do better in soccer. I want to be a better goalie. So I can become better in soccer. My goal for 2009 is I want to be a better goalie in soccer. To learn to be a better goalie is practice with my sister or with my dad. When I play I will try to block the ball from getting in the goal. I want to be able to stop Rachel Koerwer's soccer ball kicks. I hope I become a better player by the end of the year. When I become a better goalie I will have had success!!
