Celebrations, Connections, & Challenges

by Dr. Lyn Mueller

Thank you very much to those of you who came to last night's Curriculum Night. A special thanks to Mrs. Watkins for all of her hard work with our students to produce such a beautiful display of art. Mrs. Watkins chose to showcase our students' work here at school rather than send entries to the State Fair this year. She felt it important for every child's work be displayed. We hope that everyone enjoyed celebrating the art and appreciated the connections these works make to classroom inquiry studies. Again, thank you, Mrs. Watkins! Our next Curriculum night will be on Thursday, November 12th.

Planning Day On Wednesday

Elementary Planning is held once each marking period to give teachers an opportunity to come together as an entire faculty and work on a topic of their choice. We are conducting an inquiry with Dr. Herman Knopf, an educational specialist at USC. Therefore, students will have a 12:00 dismissal on Wednesday, Oct. 21st. We will be serving lunch as usual and AfterCare is available for students enrolled in our full-time AfterCare program.

School Pictures On Thursday!

School pictures will be taken this Thurs., Oct. 22 during the morning. To order individual pictures, we **MUST** have payment by 8:00 a.m. on Thursday morning. Order forms are attached to this newsletter.

Fall Movie Night On Friday

CFI Fall Family Movie Night is Friday, October 23rd beginning at 7:00 p.m. featuring "The Ghost and Mr. Chicken" starring Don Knotts. Feel free to bring blankets or folding chairs to sit on and, if you want, **WEAR YOUR PJ's!** Admission is free. We will be selling popcorn and water or juice. We serve those items to help protect our carpets so we ask that families not bring in outside snacks.
