

Grace is the last matriarch of the Cahills, the world's most powerful family and one that boasts descendants including Napoleon, Houdini, Ben Franklin, as well as many others.

Minutes before she dies Grace Cahill changes her will, and leaves her descendants an impossible decision: "You have a choice - one million dollars or a clue." Yes, they can either inherit one million dollars, or forgo the money and receive the first of 39 clues that will lead them on an around-the-world adventure in search of, well, that's a secret. But it's an earth-shattering secret. Siblings, Amy and Dan choose the challenge and must race around the world, competing against ruthless, backstabbing relatives and deciphering puzzles to discover the 39 clues. In the process they may also uncover what REALLY happened to their parents.
